Product Information:

- Complete engine protection against dust for extended service life
- Robust, high-performance, high-efficiency motor
- Slim carter for a comfortable grip
- Optimal engine cooling for extended service life
- Aluminium alloy gearbox
- Dust-tight bearings
- Anti-burst and anti-rotation safety housing
- Electronic variable speed drive
- Soft start with start-up current limitation
- Anti-vibration side handle
- High torque for high-density materials
- Safety switch with lock function
- Security restart shutdown
- Power cable HO5RNF length 4 meters

Standard delivered accessories:

- Anti-vibration side handle
- Carter to scupper
- Carter to cut
- Service key

Technical characteristics:

- Height (cm) : 11.50
- Width (cm) : 8.50
- Length (cm) : 35.00
- Net weight (Kg) : 3.20
- Power (W)
- Power (V) 1-phase 230V
- Max. speed (rpm)
- Disk diameter (mm)
- Disk bore (mm) 22,23
- Spindle threading (mm)
- Cutting height (mm)
- Cable length (m)
